SUPPORT SPINAL HEALTH!

The **We've Got Your Back 5k Fun Run and Walk** is one of the National Spine Health Foundation's signature events and is the nation's largest celebration of healthy spines. Join us in celebrating the success of Spinal Champions by bringing together elite runners, recovering and recovered patients, industry experts, local celebrities, and supporting members of the community. The race raises awareness, celebrates positive outcomes, educates the public about the importance of spinal health, and most importantly, generates the necessary funds needed to support you on your journey to spinal health. All proceeds benefit the National Spine Health Foundation.
